

**City & Guilds (2382-18) Certificate in the Requirements for Electrical Installations
18th Edition – condensed revision 1 day course
Course Information Sheet 031**

Introduction

This 2382 18th Edition short course is aimed at practising electricians with relevant experience who already hold the latest (3rd Amendment) 17th Edition qualification (yellow book). It will cover the differences between the 17th and 18th Editions only in 1 day of condensed revision. It is not suitable for candidates who hold the 2382-10 (red book) or 2382-12 (green book) qualifications who must take the full 3 day revision course (CIS 030)

Candidates on this course will take the same full sixty question exam paper as those taking the 3 day course.

About the course

This course will cover the updates and new sections in the 18th Edition, and the differences between it and the 17th Edition.

Where is the course run?

At our Training Centres in Burgess Hill, West Sussex and Portchester, near Portsmouth.

What qualifications do I need to have to do this course?

This course is designed for qualified electricians who hold the most recent 17th Edition, 3rd Amendment qualification.

About the assessment

There is a 60 question, multiple choice, 2 hour online Evolve exam taken on a second day.

How long will it take?

The 2382-15 18th Edition condensed revision course is a one day revision course, with the exam taken on a second day.

Candidates who do not hold the latest 2382-15 (17th Edition 3rd Amendment) qualification should take the full 3 day 2382-18 course (see course information sheet CIS030) but all candidates will sit the same 60 question multiple choice exam paper.

What does it cost?

For current prices speak to one of our sales consultants – call 01444 870860 or 02392 190190. The price will include all revision, assessment and certification fees.

Preparation for the course

You should familiarise yourself with the 18th Edition Wiring Regulations (BS 7671:2018). You must ensure that you have the latest version – details can be found on the IET website <http://electrical.theiet.org/wiring-regulations/index.cfm>

Books are available to buy from the IET, from electrical suppliers such as City Electrical Factors and Medlocks Electrical, from bookshops or from on-line retailers such as Amazon.

What will I need?

You should bring the following with you to your course:

- Pen, paper and non-programmable scientific calculator
- Photo I.D. such as passport, driving licence or company I.D. card (you will not be allowed to sit the on-line examination without this)
- Your own copy of the required book:
18th Edition Wiring Regulations (BS 7671:2018)
Optional book (not compulsory):
On-site Guide (BS 7671 Wiring Regulations)

How do I book?

Call the office on 01444 870860 or 02392 190190 and speak to one of our consultants.

They will discuss dates and availability with you and can take payment by debit or credit card to confirm your place.
