

# Apprentices looking for Employers

Last updated: 23/01/2023

## Electrical

ID	Centre	Year	Funding bracket*	Location	Transport	Personal Statement
BHSBG2	Burgess Hill	2	19+	Brighton	Driver	I am an energetic and efficient worker with 6 years of construction industry experience. I completed the first year of my apprenticeship with distinction, and I have gained a high level of proficiency on my apprenticeship so far.
BHLEG1	Burgess Hill	1	16-18	Burgess Hill	Non driver	A self-motivated, hardworking, and focused individual who uses initiative. I take on others' opinions and use them to better my own understanding of the tasks I am given. I have great confidence when working independently and as a team member. I take pride in my work and use my skills and knowledge to further my practice to the best of my ability.

## Electrical

ID	Centre	Year	Funding bracket*	Location	Transport	Personal Statement
PTOSE1	Portchester	1	Levy Transfer	Southsea	Driver	An enthusiastic and diligent individual seeking professional practical gas and plumbing experience and opportunities in order to complete my Level 3 Gas apprenticeship with Steve Willis Training and enable professional growth. Effective at collaborating with team members and taking pride in providing a good set-up and clean-up of job sites. Skilled at arranging materials and cleaning up debris to maintain a good working environment and smooth job operations.

\*Funding Brackets\*

**16-18** = fully funded by the government – all training costs covered / **19+** = 95% government funded – 5% employer contribution will be required (amount will be calculated) / **Levy Transfer** = fully funded by a levy paying organisation – no training costs are charged to the employer
