2. Our commitment

Steve Willis Training Centres' core values are at the heart of everything we do. We are committed to running our business responsibly and in accordance with the high standards embedded in those core values.

'Respecting and valuing all individuals', and 'operating with honesty and integrity' are two of our core values.

Steve Willis Training Centres' is dedicated to the principles of the Modern Slavery Act 2015 and preventing slavery and human trafficking violations in our operations and supply chains.

This statement has been approved by our Senior Management Team and will be reviewed and updated every year.

3. Our policies related to the Modern Slavery Act 2015

The following policies are available to all members of staff and are in relation to the Modern Slavery Act 2015:

- Safeguarding policy
- Whistleblowing policy
- Equality & diversity policy
- Recruitment and selection policy

These policies help us to consider issues around modern slavery and human trafficking with our staff members and suppliers.

4. Our supply chain

We expect the same high standards from our suppliers and those we work with.

We will work with our suppliers to ensure that our approach to slavery and human trafficking is reflected in all our purchases of goods and services; ensuring neither we nor they are involved in any way - either directly or indirectly - in slavery and human trafficking.
